

KUDALE CALIBRATION LABORATORY PVT. LTD.

THE MOST TRUSTED CALIBRATION HOUSE IN INDIA!!

KUDALE CALIBRATION LABORATORY TRAINING DIVISION

Announces

**4 days Training Programme in view of the Current Requirements on
“Laboratory Management System as per ISO/IEC 17025:2005 And Aspects of Internal Audit”
Date: 19th to 22nd February 2014**

INTRODUCTION

Under the able guidance and leadership of the Veteran in the field of Metrology, Mr. Arun L. Kudale, our Laboratory with the vast experience of 17 years in training, has organized a 4 day training programme. The purpose of this training is to cater to the need of the time and is designed for the testing / calibration laboratory professionals. This course will help the professionals in Metrology to explore, refresh and update themselves. Enthused by our achievement in the field, we have taken up the mission in creating Awareness on Quality Management System w.r.t. ISO/IEC 17025:2005 and also the Workshop on evaluation of Uncertainty in Measurement. These programs already received wide appreciation in the field.

OBJECTIVES

- Detailed Awareness of ISO/IEC 17025:2005
- To understand NABL requirements.
- To help in implementation and maintenance of the Quality system.
- To fulfill the requirements of NABL
- To learn the Internal Audit process
- Discussions about standards for clear understanding

WHO SHOULD ATTEND?

Diploma/Bachelors/Masters degree in engineering/Science with relevant work experience in the field of Measurements either in maintenance, inspection, testing, calibration laboratory or QA

PROGRAMME CONTENTS

- Clause by clause explanation on ISO/IEC 17025:2005.
- Requirements of NABL.
- Quality Management system (What is QMS, its need and the process).
- Accreditation journey.
- Management requirements.
- Technical requirements.
- Aspects of Internal Audit. Practical training on Internal Audit.
- Introduction to system documentation.
- Selection criteria for Environmental Condition and Personnel.
- Educative Exercises and Question Answer sessions.

FACULTY

Mr. C.M. Puntambekar (Chief Executive, Kudale Calibration Laboratory Pvt. Ltd.)

A bachelor in Mechanical Engineering and having more than 22 years hands on experience in Metrology field, to resolve customers queries and implement specific calibration system, he has the following achievements to his credit.

- Trained at NABL system as an Assessor.
- Trained at NPL for Dimensional, Torque, Force related parameters.
- Trained at UKAS Accredited lab for Torque parameter.
- Visited Germany & Switzerland for Technical aspects.
- Provided Consultancy to more than 70 laboratories for NABL Accreditation.
- Conducted more than 100 nos. of programs in awareness of ISO/IEC 17025:2005.
- Conducted more than 50 nos. of programs in Measurement Technique, Uncertainty in Measurement.

PARTICIPATION FEES

Rs. 11,000/- + Service Tax @ 12.36% per participant
(Includes Course Fee and material + Breakfast + Lunch + Tea for 4 days)
Discount will be offered @ 10% for 3 or more participants from same organization.
